

# Schedule of Port Charges Port Kembla

---

Effective 1 July 2023

## Schedule of Port Charges

### 1. Wharfage Charge

The Wharfage Charge is payable by the cargo owner, usually via the Customer (or via the Customer's shipping agent).

**Table 1** sets out the Wharfage Charges that apply to containerised cargo, which is charged per 'Twenty Foot Equivalent Unit' (TEU).

<b>Table 1 CONTAINERISED CARGO</b>			
Description	\$ / TEU (excl. GST)	GST \$	\$ / TEU (incl. GST)
Full container – Import and Export	78.64	7.86	86.50
Empty container – Import and Export	13.50	1.35	14.85

**Table 2** sets out the Wharfage Charges that apply to non-containerised cargo, which is charged per 'Revenue Tonne' (RT). A RT is the greater of mass or volume of the cargo measured in units of metric tonnes, cubic metres or kilolitres.

<b>Table 2 NON-CONTAINERISED CARGO</b>			
Description	\$ / RT (excl. GST)	GST \$	\$ / RT (incl. GST)
Bulk Liquids	3.03	0.30	3.33
Dry Bulk	2.78	0.28	3.06
General Cargo	2.78	0.28	3.06
Motor Vehicles	2.78	0.28	3.06
Project Cargo*	2.78	0.28	3.06

\* Note – in addition to Wharfage, other charges and/or security may apply for Project Cargo. See section 4 below.

**Please note:** For the purposes of Tables 1 & 2, Wharfage Charges for all Transhipped Cargo are incurred at 50% of the applicable rate and are payable for both the inward and outward trip. Transhipped Cargo means cargo that is unloaded from one vessel and re-loaded onto another vessel in Port Kembla within 14 days from the date of unloading.

NSW Ports reserves the right, in its sole discretion, to determine the categorisation of cargo for the purposes of Tables 1 & 2.

## 2. Site Occupation Charge

**Table 3** sets out the Site Occupation Charge. This charge is a time-based charge for use of the berths specified in the table. The Site Occupation Charge is calculated on and from the time a Vessel is alongside a berth, or its cargo is on the berth, until the time of its departure. A minimum charge of one hour will apply for Vessels occupying a site for less than an hour. A Site Occupation Charge is payable by the Customer, or otherwise the relevant stevedore or occupier of the site/berth.

<b>Table 3 SITE OCCUPATION CHARGE</b>			
<b>Description</b>	<b>\$ / hour (excl. GST)</b>	<b>GST \$</b>	<b>\$ / hour (incl. GST)</b>
Berth 104	471.39	47.14	518.53
Berth 201	635.59	63.56	699.15
Berth 206	336.47	33.65	370.12
Berths 109,110,111,112 & 113	471.39	47.14	518.53

## 3. Navigation Service Charge

**Table 4** sets out the Navigation Service Charge. All commercial vessels (for example cargo, research, piloted fishing vessels and piloted tugs) are required to pay the Navigation Service Charge. This charge is payable by the Customer (usually via the Customer's shipping agent) and is calculated on the Vessel's Gross Tonnage (GT) per port entry. The charge is applied to Vessels greater than 240 GT.

<b>Table 4 NAVIGATION SERVICE CHARGE</b>			
<b>Description</b>	<b>\$ / GT / entry (excl. GST)</b>	<b>GST</b>	<b>\$ / GT / entry (incl. GST)</b>
BlueScope and Port Kembla Coal Terminal Berths	1.01	0.10	1.11
Other berths: vessels between 0 to 50,000GT	0.60	0.06	0.66
Other berths: vessels above 50,000 GT is \$30,000 plus the applicable rate per GT	1.46	0.15	1.61

**Please Note:** For vessels entering port for bunker and / or ship repairs, the charge rate is 50% of the charge rate for 'Other berths'.

## 4. Other Charges

### Utilities Charge

Vessels requiring fresh water at the bulk liquid berths will be charged at \$4.25 per kilolitre (excl. GST).

### Additional Charges

From time to time, Customers (or other port users) may be charged additional fees and expenses depending on the additional resources and/or equipment required to load, discharge, store, securely handle or transport cargo. These charges will be determined on a case by case basis and will be subject to NSW Ports providing reasonable prior notice.

Additional charges and/or security may apply for Project Cargo which cannot be transported to or from the port by road on any vehicle without exceeding a prescribed mass or dimension requirement (as specified in the National Heavy Vehicle General Dimension requirements and the General Mass Limits as published by the National Heavy Vehicle Regulator). Consignments of Project Cargo must be advised to NSW Ports (using the prescribed form – Port Kembla Project Cargo Notification) no less than 40 days prior to the scheduled vessel's arrival. A written agreement on additional charges and/or security must be reached between NSW Ports and the cargo owner (or its authorised agent) no less than 30 days prior to the scheduled vessel's arrival.

For a copy of the Port Kembla Project Cargo Notification form or for further information and relevant charges in relation to any cruise passenger vessels coming to Port Kembla, please contact the Business Development Manager at the following email: [Lana.Howell@nswports.com.au](mailto:Lana.Howell@nswports.com.au) .

### **Administration fees**

NSW Ports may charge an administration fee of \$107.80 + GST for each and any act or omission of a Customer which necessitates additional administrative effort or manual processing on the part of NSW Ports.

## **5. Terms of Payment**

Payment terms are 14 days from the Invoice Date.

## **6. About This Schedule**

This schedule is a summary of the port charges applicable to the commercial use of Port Kembla imposed by NSW Ports under Part 5 of the *Ports and Maritime Administration Act 1995* (NSW), effective from 1 July 2023. Please note, however, that this schedule does not contain all the regulations and procedures applicable to charges at Port Kembla.

If you are unfamiliar with the regulations and procedures relating to this Schedule, please contact the Business Development Manager per the details below or via **1300 922 524** (toll free).
