Dear Mr Neely,

MP 05_0147 MOD 15
Enfield Intermodal Logistics Centre Modification 13

I refer to the above mentioned modification and the request for additional information dated 1 November 2023. This letter provides a response to the 3 items as follows:

1. High resolution plan – attached
2. Condition 1.2C – Drawing SENP154B remains unchanged, it identifies the part of the ILC site that it relates to. Copy of approved plan attached.
3. Draft conditions – we raise no objection to the draft conditions. I note that Condition 1.1u will also need to be amended to add plan number SENP154B as requested by the Department.

I trust that this appropriately addresses the RFI.

Should you wish to discuss this matter further please contact Larissa Brennan on 0414 730 842 or via email Larissa@ljbplanning.com.au

Yours sincerely
